Pre-Operative Instructions

Today's Date: _____ Office Staff Giving Instructions: _____

Patient Name: _____

Patient DOB: _____

Procedure Date: _____

Procedure: _____

Pre-operative Instructions for Dr. Trahan

- Do not eat or drink anything after midnight the night before your procedure.
- Discontinue aspirin or any blood thinners 7(seven) days prior to the date of surgery.
- Do not take any medications unless specified by the physician.
- If you have any questions about your procedure, please contact our office.

Pre-operative Instructions for Facility

A nurse from the appropriate facility will call you the day before your surgery between the hours of 12:00 p.m. and 7:00 p.m. If your surgery is on a Monday, the nurse will call the Friday before your surgery. The nurse will give you the following information:

- Arrival time on the morning of surgery
- Review of medications. The nurse will recommend which medications you should continue taking and which medications you should discontinue before surgery.
- All other pertinent pre-operative instructions

You are scheduled to have surgery at the following location and can reach the prep nurse at the associated phone number:

- LGMC Outpatient Surgery Department (337) 289-7088
- OLOL Admitting Department (337) 470-2275
- LSSH Outpatient Surgery Department (337) 769-4168
- LGSH Outpatient Surgery Department (337) 289-8095
- Surgery Center (337) 233-8603

I understand all pre-op instructions given to me and I must go to pre-register and do any pre-op work up at least 5 days before my surgery date or my surgery may be cancelled.
